

ANBI Publication 2025

Stichting Robin Polley Foundation

General Information

Name	Stichting Robin Polley Foundation
RSIN	866414988
Registered Place	Spijkensisse, The Netherlands
ANBI Status	Public Benefit Organisation (ANBI)

Mission Statement

Stichting Robin Polley Foundation aims to improve the future prospects of children and young people in Ghana. The foundation uses sport — in particular football — as a tool for education, talent development, social cohesion and personal growth, combined with support in basic needs.

Policy Plan (Key Points)

- Developing a structured football and youth academy
- Combining sport with education
- Creating sustainable sports infrastructure
- Supporting underprivileged youth with sports equipment and educational materials
- Working closely with local communities and partners in Ghana

Activities Report 2025

- Launch of football field construction & youth academy development (Egyaaman Community)
- Structural football training sessions (3–4 times per week)
- Donation of sports clothing, shoes and equipment
- Educational support with local schools

- Organisation of sports events including the Robin Polley Cup

Results & Social Impact

- Approximately 600 children and young people reached
- 93 new participants joined the academy
- Start of irrigation, groundwork and infrastructure development
- Additional water well constructed for community use
- Foundation laid for sustainable growth (2026–2028)
